

JAIPUR FOOT CAMP

Whenever the Lord has descended on earth, HE has always showered his love on the blind, the lame and the needy. When God sent His son Jesus, the blind, the maimed and the sick flocked to him like sheep and were cured by His love and grace.

In His earlier avatar as Shirdi Baba, Bhagawan cured the afflictions and ailments of several people. In His present avatar, Bhagawan is not only guiding, guarding, protecting and saving people from all ailments both physical and mental, but out His infinite Compassion and Love, He has given us this golden opportunity to serve the needy.

The greatest act of charity is that which makes the recipient self-reliant and this is the motive behind every activity of the Sri Sathya Sai Seva Organisation. Baba says, the four S's to Divinity are Self-sacrifice, Self-Confidence, Self-Satisfaction and Self-Realisation.

Bhagawan always says that we all are HIS reflections, and be personifications of Love. In an attempt in this direction of being instruments of Love & Service, the Sri Sathya Sai Organisations Maharashtra & Goa are organizing a JAIPUR FOOT CAMP at Prashanthi Nilayam as a part of the 85th birthday celebrations.

The main objective of this camp is to rehabilitate the physically challenged, particularly the resource-less, enabling them to regain their mobility, self respect and human dignity so that they become self-reliant and productive members of the community.

Pursuant to the above, this camp will engage in providing

1. Artificial limbs and other rehabilitation aids and appliances to amputees.
2. Calipers, modified footwear and other rehabilitation aids and appliances to polio afflicted and other disabled persons.
3. Wheel Chairs wherever Jaipur foot is not applicable.
